VICTOR ODJESAWHA

Digital Marketing Manager

Lagos, Nigeria | +234 814 510 9030 | victorodjes@gmail.com | LinkedIn | Portfolio

PROFILE

Digital Marketing Manager with over 4 years of experience across Oil and Gas, Fashion, Nonprofit, Hospitality, and Agency sectors. I build and run full-funnel digital strategies covering SEO, paid media, content and brand identity that grow online presence and deliver measurable results. I work well independently with global clients and within collaborative teams, bringing a creative, data-driven approach to every brand I work with.

WORK EXPERIENCE

Digital Marketer *2025 – 2026 (Contract)*

TMA Brand Consulting | Branding, Web Design and Digital Marketing Agency

- Executed end-to-end SEO (technical, on-page and off-page) and Google Ads strategies to boost organic rankings and conversion rates across multiple client portfolios.
- Led full lifecycle of Meta Ads (Facebook and Instagram) campaigns, covering audience segmentation, creative briefing, A/B testing and performance reporting.
- Developed platform-specific content strategies and managed brand social media presence, producing video assets and digital content that drove measurable engagement.

- Contributed to integrated brand strategies ensuring consistency across all digital touchpoints within a collaborative agency environment.

Social Media and Brand Strategy Associate *Nov 2025 – May 2026*

Virtual Tribe | Digital Marketing and Property Management Agency (Contract)

- Developed comprehensive brand guidelines, including tone of voice and visual direction, to ensure alignment across all digital platforms for U.S.-market hospitality clients.
- Managed content calendars and social media platforms tailored to restaurant audiences, maintaining consistent posting frequency and audience engagement.
- Implemented digital marketing initiatives that boosted online visibility and customer engagement for multiple hospitality brands across different locations.

Social Media Manager *Jun 2024 – Mar 2025*

Cute-Saint | Fashion Industry

- Designed and executed social media strategies aligned with corporate goals, driving organic follower growth through hashtag research and influencer collaborations.
- Produced and curated platform-specific content (text, image, video) in partnership with designers and videographers, maintaining a consistent on-brand identity.
- Managed community engagement, handled negative feedback professionally, and maintained a unified brand voice across all touchpoints.
- Tracked performance metrics (engagement, reach, follower growth) and used insights to optimise post formats, timing and content mix.

Digital Marketing Manager *Jul 2024 – Oct 2024*

Offshore Dimensions Ltd | Oil and Gas / EPCM

- Developed and managed digital marketing strategies and online events aligned with the company's corporate goals and technical brand identity.
- Produced tailored content for blogs, social media and email newsletters, managing campaigns from copywriting through to click-through rate analysis.
- Improved organic visibility through keyword research and technical SEO; maintained the company website for accuracy and user-friendliness.
- Monitored campaign performance via Google Analytics, delivering data-driven reports and competitor insights to improve marketing ROI.

Digital Marketer *Jul 2024 – Oct 2024*

Blossomflow Empowerment Foundation | Non-Profit (Menstrual Health and Period Poverty)

- Developed and executed digital strategies aligned with the foundation's mission to champion menstrual health education and combat period poverty across Nigeria.
- Created and distributed content across social media, the foundation website and email newsletters, highlighting programmes, impact stories and campaigns.
- Managed SEO and website optimisation to improve search visibility and drive organic traffic to the foundation's advocacy and donation pages.
- Monitored campaign reach and engagement via Google Analytics; managed community interactions to grow the foundation's digital presence.

Digital Marketing Intern *Oct 2023 – Feb 2024*

IdeaToSites | Web Design and Digital Marketing Agency

- Executed social media marketing campaigns, created content and supported SEO initiatives within a digital agency setting.
- Managed client social media accounts, producing platform-specific content and tracking performance metrics to guide optimisation.

Digital Marketer *Mar 2023 – Jun 2023 | Atlanta, USA (Remote)*

Iban Isong Solutions LLC | Digital Marketing Consultancy

- Completed a structured digital marketing apprenticeship via Acadium, delivering real-world campaigns for a U.S.-based client.
- Managed social media accounts and created SEO-optimised content, gaining hands-on experience in performance analysis and strategy execution.

Self-employed Freelance Digital Marketer *Feb 2022 – Present*

Various Industries | Lagos, Nigeria

- Delivered tailored digital marketing strategies for diverse clients across multiple industries in Nigeria.
- Managed social media accounts, created SEO-friendly content and analysed campaign performance to provide actionable insights.
